Your Child's Brain and Behavior This is really where it all starts, your child's brain. What causes that melt down? Why do they insist on pushing all your buttons? Understanding how the brain works will revolutionize how you interact with your child. This course is for parents of children birth to 18.	Mondays 7:00 PM to 8:30 PM Starts Mon., Sept. 12 Ends Mon., Oct. 3	\$100 per person
How to Manage the Terrific Teen Years Eye rolls, talking back, weird clothes and hair? Sound familiar? If you are the parent of a teen or a pre-teen this course is for you. Make sense of this developmental stage and stay sane in the process.	Friday, Sept. 23 7:00 PM to 9:00 PM Light refreshments served	\$25 per person
